

2010 FIRE DEPARTMENT CHALLENGE

Gather a few runners from your department and challenge other valley departments in this 10k event. Bring your team, and even a fire truck, to support you along the route.

The winning department will receive a traveling trophy along with bragging rights!

Each team should have a minimum of 7 runners. Scoring will be cross country style, which is the sum of the numerical finishing place of each member. Team score will be comprised of the top five runners of each team. Ties will be decided by runners 6 and 7. The lowest team score wins.

Remember, a team's fate is often decided not by the fastest runner but, the slowest!

The Lost Dutchman Marathon, Inc. is a non profit 501(c)3 organization who has contributed over \$100,000 to local youth organizations and scholarships. Members of the AJ Firefighters Union Local 2260 have provided EMS services and logistic support for the past 8 years.

Date: Sunday, February 14, 2010
Distance: 10k (6.2 miles)
Time: 7:45 am
Place: Prospector Park, Apache Junction, AZ

To register go to www.lostdutchmanmarathon.org. Register using the mail in form and write "Fire Department Challenge" and the name of your Department on the top of the mail in form.
